

Download California Dental Laws Dental Practice Act 2008

However, a person does not have to be a dentist to be a manufacturer of dental prostheses. (b) In addition to subsection (a), a person is practicing dentistry who directly or indirectly by any means or method furnishes, supplies, constructs, reproduces, repairs, or adjusts any prosthetic denture, bridge, appliance, or any other structure to be worn in the human mouth and delivers the resulting ...A dental hygienist or oral hygienist is a licensed dental professional, registered with a dental association or regulatory body within their country of practice. Prior to completing clinical and written board examinations, registered dental hygienists must have either an Associate's or Bachelor's degree in Dental Hygiene from an accredited college or university. Reimbursement. The following 18 practice acts contain statutory or regulatory language allowing the state Medicaid department to directly reimburse dental hygienists for services rendered. The Environmental Protection Agency (EPA) is promulgating technology-based pretreatment standards under the Clean Water Act to reduce discharges of mercury from dental offices into municipal sewage treatment plants known as publicly owned treatment works (POTWs). This final rule requires dental...
